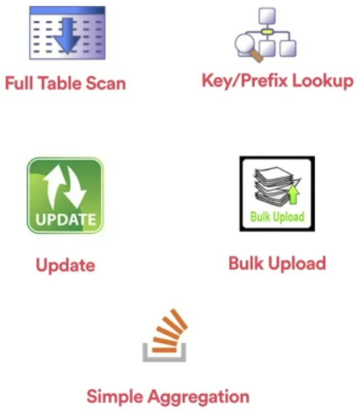
Why HBase

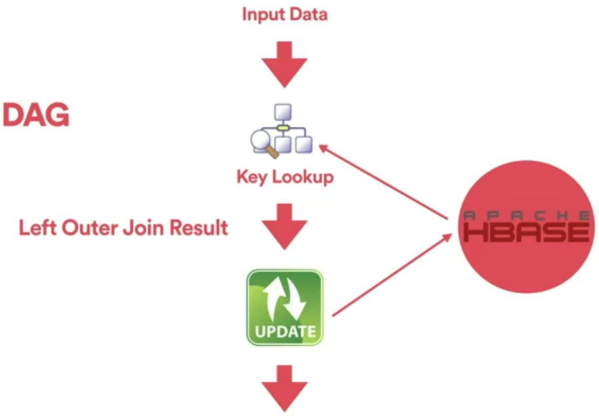
- Reliable and Scalable
- Rich Integration with Hadoop EcoSystem
- Rich Functionalities
- Easy Management
- Strong Community

HBase State Store

Operators in Airstream

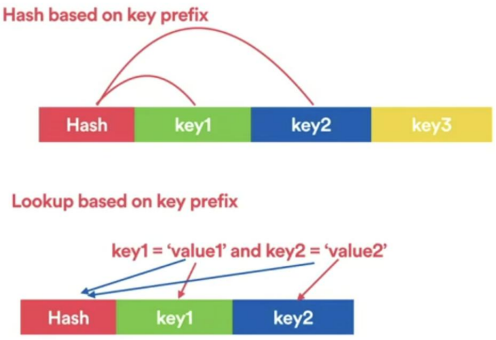


Computation DAG

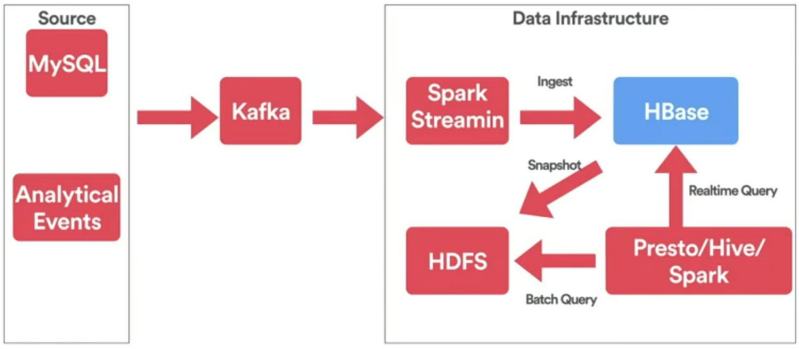


Key Space Design

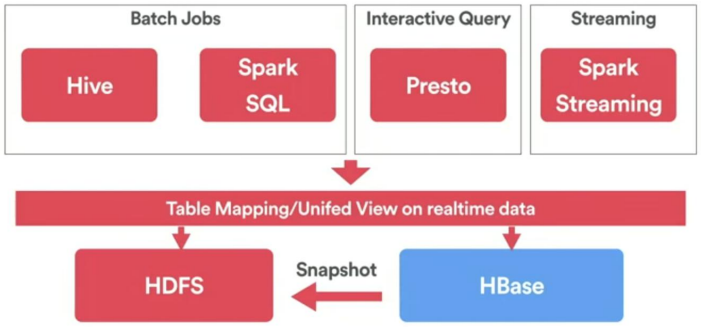
- Hash partition key space for load balance
- Composite key for K -> V
- Support full key lookup
- Prefix lookup supported for all keys used in hash function



Realtime Ingestion on HBase

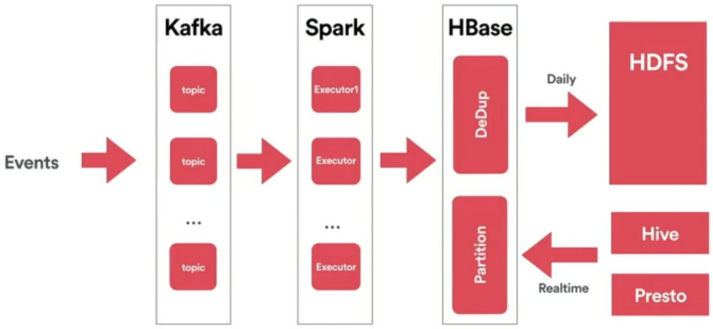


Access Data in HBase



Snapshot & Reseed

Case Study 1: Events Ingestion



Case Study 2: Streaming DB Export
